READ: Galatians 5:1-6

Paul calls believers to stand firm in the freedom Christ gives. Study the danger of trusting religious performance instead of Christ.

Observe

List repeated words, commands, contrasts and references to faith.

Interpret

Explain why adding human merit to Christ's work changes the gospel.

Apply

Write one way to stand firm without using freedom selfishly.

- How does faith work through love?
- What false source of confidence must be surrendered?
